### Office Action Summary

### PART III: REASONS FOR REJECTIONS AND OBJECTIONS

The following is a quotation of the appropriate paragraphs of 35 USC 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless -

(e) the invention was described in a patent granted on an application for patent by another filed in the United States before the invention thereof by the applicant for patent, or on an international application by another who has fulfilled the requirements of paragraphs (1), (2), and (4) of section 371(c) of this title before the invention thereof by the applicant for patent.

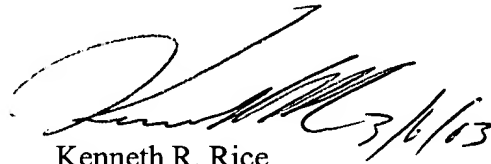

Claims 1, 2, 4, 6, 7, 9, 11, 12, 14, 16, 17 and 19 are rejected under 35 USC 102(e) as being clearly anticipated by Suzuki. Note column 7, line 58, to column 8, line 14.

Applicant's arguments filed February 24, 2003, have been fully considered but they are not deemed to be persuasive. Applicant argues that Suzuki does not disclose reordering a product in response to being selected from a list and suggesting additional products to the user based on the product suggested for reorder. Applicant's attention is directed to column 4, lines 6-13, which states: "The electronic personal shopping system is able to interface with a customer's personal memory store and is able to edit and update the information contained thereon to maintain it in an up-to-date fashion and is also able to offer suggestions on promotional items and items that the customer may need to replenish based on information contained in the personal memory store." Thus Suzuki does disclose keeping a list of previous purchases, which would allow the user to select those items for purchase, and making suggestions for additional purchases based on that history and selection.

All claims are drawn to the same invention claimed in the application prior to the entry of the submission under 37 CFR 1.129(a) and could have been finally rejected on the grounds and art of record in the next Office action if they had been entered in the application prior to entry under 37 CFR 1.129(a). Accordingly, THIS ACTION IS MADE FINAL even though it is a first action after the submission under 37 CFR 1.129(a). See MPEP § 706.07(b). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
